Satirical Pamphlet- October 31
by midnight

Satire has been a method of argument and call for social change since the ancient Greeks. Satire pokes fun at the world and societal issues while calling for change.

Your Task: Pick and research a social issue that is taking place and affecting Raleigh, North Carolina, the United States, or the World today. Create an annotated bibliography with eight sources using MLA 8 to research and learn about your chosen topic, and what is being done or proposed to solve it. Then, using your research and knowledge of satire and satirical devices, create a satirical argument for your topic. Your final paper must be formatted with MLA 8 and contain evidence from your research. You will turn in your final paper and bibliography through TurnItIn by midnight, October 30.
